Cake's 4 Kids program!

What is a GMO?

A GMO (Genetically Modified Organism) is a laboratory process of taking genes from one species and inserting them into another. *For more information visit our website!*

Our non-GMO Pledge: Here at *My Charity 4 Kids* & Volunteer One believe that you, our

volunteers and the public, have the “Right to

Know” what is inside their food. We pledge to offer only the highest quality of non-

WHERE VOLUNTEERS..

BAKE A DIFFERENCE!

GMO/Organic ingredients will be used in Savannah's Cakes 4 Kids Program!

Donations support our Volunteer Programs!
